

Garden Event

5-11-24, 10-11am, Raised Beds and Container Gardening with Beth Crosse, Westchester 90045

Description = Don't miss out on this unique opportunity to enhance your gardening skills with TWO classes in one! Led by UC Master Gardener, Beth Crosse and a special Guest Master Gardener, this informative workshop will cover everything you need to know about raised beds and container gardening.

RAISED BEDS:

- Explore the benefits of raised bed gardening
- Learn essential site preparation techniques
- Discover the step-by-step process of building raised beds
- Understand the importance of soil and how to improve it
- Take a guided garden tour for practical insights

CONTAINER GARDENING:

- Understand the advantages and disadvantages of container gardening
- Learn about different materials and types of containers
- Discover suitable plants and how to care for them in containers
- Understand soil requirements for successful container gardening
- Get practical tips for getting started and planting a pot

About the Instructors:

Beth Crosse is a UC Master Gardener with extensive experience and knowledge in sustainable gardening practices. Our Guest Master Gardener brings additional expertise and insights to enrich your learning experience. Don't miss this opportunity to optimize your gardening skills and create your own thriving garden oasis!

Cost = Free. Donations are always welcome.

Location = Emerson Avenue Community Garden, 8050 Emerson Avenue, Westchester 90045
