

Garden Event

1-27-2024, 10am, Farmer Rishi's Annual Fruit Tree Pruning Workshop, Pomona 91766

Description = Winter is the best time to prune most of your fruit trees! Come join Farmer Rishi at Sarvodaya Farms for this workshop where you will learn and practice pruning a variety of fruit trees, vines, and shrubs. Attendees must bring their own hand pruners (bring a lopper if you have one too). You may also buy pruning tools from us before the workshop starts. During this workshop, attendees will learn hands-on by pruning existing and newly planted fruit trees at Sarvodaya Farms. Our orchard has over 70 trees of many different types. We will concentrate on pruning Plum, Peach, Apricot, Fig, and Citrus trees as well as grape vines. This workshop is multiple hours long to accommodate everyone getting a significant amount of guided experience pruning trees. Practice is key! Workshop will be led by Farmer Rishi, and assisted by Sarvodaya Farms staff.

Cost = \$20-\$60 sliding scale

Location = 1196 S San Antonio Ave, Pomona 91766
