

Garden Event

1-3-22 through 2-11-22, In-Person and Online, Home Gardening Classes with Steve Williams

Description = Mt. San Antonio College's year-round Home Gardening Classes are part of the Continuing Education, Education for Older Adult Program, and are offered free to anyone 18 and older. These classes, in their 20th year, teach the fundamentals of horticultural science as it applies to the home gardener. Instruction will be provided on design, plant propagation, pruning, fertilizing, pest management, etc. of houseplants, ornamental plants, and fruits and vegetables, with an emphasis on organic gardening.

Cost = Free

Locations = 7 different locations at senior centers, 2 online classes and a hands-on lab on the Mt. SAC campus are available, Monday - Friday.

For more specific informational flyer = Steve Williams, sowilliams@mtsac.edu, 626-429-2452
