

1-7-21 Documentarian and Social Media Intern, Sarvodaya Institute, 2-6-21 deadline

Job Title

Documentarian and Social Media Intern

Agency

Sarvodaya Institute

Location

Pomona CA

Pay Rate

Unpaid Internship

Responsibilities

- The Documentarian and Social Media Manager will document the development and changes at all Sarvodaya Institute gardens season by season through photography and writing, and publish these documentations to the Sarvodaya Institute blog, Instagram and e-newsletter.
- Documentarian will help create advertisements through social media for plants and items for sale, and work with Events Manager to publicize upcoming events.
- This is an unpaid, intern position.

Position Responsibilities

- Photograph one of our gardens or our farm every week, documenting seasonal changes.
- Attend and photograph any farm events you are able to.
- Write about seasonal changes witnessed through photographs and also share about experience at any events attended.
- Post photographs and writings to our social media platforms.
- Create and post videos on various nursery plants available for purchase.
- Share posts on Social Media accounts regularly that reflect our vision and mission.

Required Knowledge, Skills and Abilities

- Must provide own camera. Phone camera is okay, DSLR preferred.
- Photography skills. Able to capture unique perspectives and create artistic portraits of people, plants, and gardens.
- Proficient in using Social Media, specifically Instagram and MailChimp.
- Interest in learning more about farming and gardening.
- Passion for healing of people and Earth.
- Willingness to share.
