

Garden Event

1-7-24, 1-3pm, Rose Pruning Demonstration, University of California, Riverside 92507

Description = Every January the public is invited to the UCR Botanic Gardens to attend the annual Rose Pruning Demonstration, which takes place in one of the Rose Gardens. Botanic Gardens staff, volunteers and local experts demonstrate how to prune hybrid tea, floribunda, miniature roses and climbers, and are eager to answer questions and teach guests how to prune roses.

Cost = Free

Location = University of California Riverside Botanic Gardens, 1 Botanic Gardens Drive, Riverside 92507
