Time(s) of Event  
8:30am - 12:30pm

Name of Event  
Learning Shou Sugi Ban for Resiliency

Description  
Join us as we bring our community of regenerative thinkers and builders together to consider fun, artistic and tangible ways to fortify your home and landscape by using fire....YES, FIRE can help prevent fire and other types of damage. This method of burning wood has been used to fortify the home, especially in high-risk fire zones. Come see how we are creating a more defensible homestead here in Altadena.

Cost  
\$40
