

Garden Event

10-13-21 through 5-11-22, Wednesdays, 10-11:30am, Online and In-Person, 7-month Kitchen Garden Apprenticeship + Wellness Journey

Description = Take a Sabbatical! Together we FALLOW in the garden and learn the basics of giving back to the land that feeds us and honoring the Original stewards. Observe. Design. Compost to ready the ground for your beautiful, climate-resilient garden. Then, we SOW seed into your garden, transplant, and even regrow from vegetables already in our kitchens. Next, TEND the vulnerable process of growing food through regenerative earth-care and integrated pest management. REGENERATE. Bring the garden into the home and out to the streets. Learn food-as-medicine and so much more. Scholarships for BIPOC.

Cost = \$48/week. Pay monthly or extended payment weekly. Can take any or all of the modules.
