

Garden Event

10-22-20 and 10-24-20, Online Webinar, Organic Gardening with Smart Gardening

Days and Dates = Thursday 10/22 and Saturday 10/24

Times = 9am, 10am

Name of Event

Organic Gardening Webinar

Description = The Smart Gardening series offers free webinars in backyard and worm composting, organic and regenerative gardening, drought-tolerant landscaping and small space gardening three times a week. The Organic Gardening lesson focuses on organic and regenerative practices to build healthy soil, grow fruits and vegetables, and deter garden pests and diseases. Webinars last one hour and include live Q&A with program instructor and Master Gardener Erin Harris. Compost bins are available for purchase at a discount courtesy of LA County Public Works and are delivered directly to your home after attending the webinar.

Cost = Free

For more information = Erin Harris, erin@go2zero.net, 323-365-6762,
