

## Garden Event

10-22-21 & 10-23-21, 8am-1pm, Zoom, Community Gardening Virtual Conference, American Community Gardening Association

Description = ACGA's Virtual Conference 2021 offers the opportunity to network with fellow gardeners from across the US and Canada. The theme is Gardening In Challenging Times. Live classes via Zoom lead by experienced gardeners and community organizers. Register to explore ways to build soil, strengthen nutrition, build green spaces to enhance our lives in connection with the environment through nature, find and identify community assets, and offer opportunities for networking with fellow gardeners from across the US.

Cost = Registration is \$20 for active ACGA Members. Non-members price is \$65, which includes a one year membership in ACGA. Life Members receive registration for free.
