

Garden Event

10-8-22, 9am, In Person, The Art of Citrus Care and Pruning with Capri Kasai, Pasadena

Description = Join us at Arlington Garden for our final workshop on the art of backyard citrus orcharding, growing fruit for non-commercial purposes. Our staff fruit tree specialist Capri will lead the workshop in the citrus grove, including a lecture on seasonal care of citrus trees, tree assessment, biology and physiology of citrus; and then 1.5 hours of pruning where participants will gain hands-on experience on how to prune citrus using the Arlington Garden citrus grove as our classroom. Be prepared - wear sunscreen, hat and bring lots of water. Pruning is physical labor and hard work. Please dress appropriately (boots, long sleeves) and be ready to get dirty. This workshop is not suitable for children.

Cost = \$25 dollars per person.
