

Garden Event

10-8-23, 1pm, Fascinating Succulent Flora of the Canary Islands with Jim Gardner, Palos Verdes Peninsula 90274

Description = South Coast Cactus & Succulent Society hosts Jim Gardner sharing his experience growing winter-growing succulent plants from the "Mediterranean" climate zones that are so well-adapted to our climatic area and the travels he's taken to the Canary Islands. You'll also get to see the beautiful ceramic planters that Jim makes for his succulents and sells to others.

Cost = Free admission for SCCSS members and their guests.

Location = South Coast Botanic Garden, 26300 Crenshaw Blvd., Palos Verdes Peninsula 90274
