

11-17-20 Landscape Designer and Installer for Home Garden, Los Angeles, 12-31-20 deadline

Job Title

Landscape Designer and Installer for home garden

Agency

private residence

Location

Los Angeles - Carthay Circle

Pay Rate

Negotiable

Responsibilities

Landscape designer and installer to help me completely re-do the different small areas around house which we have just returned to. House is English style, includes rose garden and other different areas. We had a wonderful Berkeley garden, parts of which we 'd like to emulate.

Required Knowledge, Skills and Abilities

- Skilled at incorporating edibles - vegetables, herbs, fruit trees, flowers, sustainable, organic.
- Rebuild the soil.
- Possible incorporation of water— a pond or small pool in one area.
