

Garden Event

11-27-21, 9am-1:30pm, Online, Landfill To Landscape In Altadena – Hands-On Hugelkultur Workshop

Description = Join Regenerative Garden Designers Shawn Maestretti and Leigh Adams of Studio Petrichor for a hands-on opportunity to learn how to build a Hugelkultur berm to retain moisture, build healthy soil, grow a healthy garden, and support community. This is an opportunity to learn these tools so you can take them home and put into practice.

Cost = \$30. All proceeds go to our not-for-profit Poly/Ana.
