11-5-20 for 3 weeks, Fall Plant Sale, Theodore Payne Foundation

Mark your calendars for NOVEMBER! We will be expanding the plant sale discounts (10% general public, 15% to members) for the first three weeks of November, with the first day of the Sale on Thursday November 5th. Each week we'll restock so that everyday of shopping will have an amazing selection of vibrant, drought tolerant and life supporting California Native Plants.
