

Garden Event

11-6-21, 9am-2pm, In-Person, Native Plant Sale, San Gabriel Mountains Chapter of the California Native Plant Society

Description = Join us at our annual native plant sale where you will find a large variety of well-priced, unusual, and low-water-use California native plants and wildflower seeds. Appropriate for gardens in the Los Angeles Basin, these beautiful native plants provide good habitat, and are attractive to birds, butterflies and hummingbirds. Knowledgeable chapter members will be on hand to answer questions and offer recommendations.

Cost = Free

Address = Monrovia Historical Museum, 742 E. Lemon Avenue, Monrovia, 91016-3008
