11-7-20, 10am-12noon, Online Webinar, Right Tree, Right Place – Planting Demonstration by Dr. Jerrold Turney

Day/Date = Saturday, 11-7-20

Time = 10am-12noon

Title = Right Tree, Right Place – Planting Demonstration by Dr. Jerrold Turney

Description = If you are thinking of getting a tree for your property, this workshop is for you. This is the last of three Saturday morning Tree Workshops being held in conjunction with our free tree giveaway. Dr. Jerrold Turney, tree expert and plant pathologist, will be demonstrating the techniques and considerations in planting trees. Dr. Turney was senior biologist/plant pathologist at the Department of Agricultural Commissioner for Los Angeles County until his retirement early this year. He has taught courses in tree identification, tree pruning and care, and irrigation design at the Arboretum.
