

Garden Event

12-13, 14, 20, 21-24, 6-9pm, Luminaria Nights, California Botanic Garden, Claremont 91711

Description

Come find your glow this winter during Luminaria Nights at California Botanic Garden. This winter lights experience is like no other in Southern California, featuring peaceful paths lined with luminarias and string lights leading to beautifully illuminated musical venues. With at least three live performers each night, new art installations, plus food, sweet treats, and drinks available for purchase, Luminaria Nights provides joyful connection amidst the quiet evening beauty of CalBG's unique native plant gardens. Luminaria Nights is Sponsored by Foothill Transit.
