

Garden Event

2-6-21, 9:30-11am, Online Zoom, UCLA Extension Horticulture Program Information Session

Description = Interested in taking your passion and turning it into a career? The UCLA Horticulture & Gardening program offers a wide range of programs and courses to get you on your way. Whether you are looking for a new career path or desire the knowledge to care for your own landscape more efficiently, we have the course for you. This free information session covers program certificate curriculum, specializations, individual courses, schedules, and fees associated with taking this new "green" path. Led by the program director, former students, and a current instructor, we've got the answers to all your questions. We will offer discounts on select courses for NEW program students who attend this open house.

Cost = Free
