

## Job Opportunity

3-7-24, Expert Landscape Gardener, Private Home, Pasadena 91103, ASAP 3-15-24

### Job Title

Expert Landscape Gardener

### Agency

Private Home

### Location

1415 Ontario Ave, Pasadena 91103

### Pay Rate

negotiable

### Overview

This is a restored Pasadena Victorian on 3/4 acre with fruit trees, and a pool. This is a large no-lawn garden with borders, pea gravel, and flagstone pavers. The owner wants to fill it out with lavender, rosemary, wild grasses, sage, mallows, yarrow, wild flowers, antique climbing roses, stephanotis, night blooming jasmine, etc. There are several large oaks and elms on the property and a mix of shade and light. Edible garden is also desired.

### Responsibilities

- Full scale garden design and installation.
- Double checking existing irrigation and lighting systems to make sure they were installed properly.
- Choosing and planting new plants and flowers.
- Laying flagstone.
- Irrigation and electrical or work with someone who specializes in those skills.
- Mix of potted and ground planted.

### Required Knowledge, Skills and Abilities

- Deep plant knowledge.
- Skills to accomplish responsibilities.

### Application Mode

- Call Emma at 206-852-1494
