

Garden Event

3rd Thursday of each month, 7-9pm, California Rare Fruit Growers (CRFG) - Orange County Chapter, Tustin 92780

Description = CRFG is a gardening club of fruit growing enthusiasts with 19 chapters in California. The Orange County Chapter has monthly meetings with a guest speaker, a fruit tasting table and a plant opportunity drawing. We usually meet on the 3rd Thursday at 7:00 pm in Santa Ana but will also have occasional Saturday morning meetings at various garden locations. For meeting details visit <https://ocfruit.com/Chapter-Events.php> . Guests are always welcome to attend our meetings in person and on Zoom. Our members are offered additional activities such as garden tours and field trips. We have a large propagation group that meets monthly to plant seeds, graft and pot up seedlings and prepare plants for our annual plant sale in April. Participants get access to interesting and unusual seeds and scion wood to grow fruit trees for their own gardens as well.
