

## Garden Event

4-1-23 and 4-2-23, 10:30am-4pm, In Person, Bromeliad Show & Sale, Corona del Mar 92625

Description = Come out and discover the wonderful diversity of bromeliads. These plants have evolved in some of nature's most challenging conditions, from desert to rainforest to cloud forest. The Bromeliad Show & Sale will feature and showcase the diverse species and cultivars within the bromeliad group. Air plants, Spanish moss and pineapple are some of the most familiar Bromeliads, but there are many more to discover. Members of the Saddleback Valley Bromeliad Society will be exhibiting some fabulous specimens as well as offering many plants for sale. Come with your questions for the experts and take home some plants, tips and inspiration.

Cost = \$5, free for members of Sherman Library & Gardens

Location = Sherman Library and Gardens, 2647 E. Coast Hwy, Corona del Mar 92625
