

## Job Opportunity

4-15-21 Mentors, Vertical Hydroponic Farming Summer Project, Project begins 7-5-21

Activity Name: Vertical Hydroponic Farming Summer Project

Sponsoring Group: PVNet Academy for STEM nonprofit 501(c)(3)

Day/Date: Monday July 5, 2021

Time: 11:am - 1:30pm

Location Address: PVNet Academy for STEM 550 Deep Valley Dr. Ste. 229 RHE 90274

Help Requested: Mentors are needed for a summer project where 12 high school students will be introduced to and work together to design & build from scratch and maintain a small indoor vertical hydroponic CEA based farm over a 6-7 week period. Based on their interests, students will choose their roles and responsibilities & form teams.
