

Garden Event

5-12-25, 9:15am-12:45pm, Floral Design for Everyone with Flower Duet Casey Schwartz and Kit Wertz, Los Angeles 90027

Description = Los Angeles Garden Club hosts sisters Casey (Coleman) Schwartz and Kit (Coleman) Wertz presenting a flower design demonstration and then auctioning the floral arrangements off to the members. They started their Flower Duet floral design business in 1999 as a part-time weekend business after Casey had retired from designing flowers on luxury cruise ships around the world and Kit had immersed herself in floral design courses for a few years. The sisters love creating custom wedding flowers for all types of weddings, directing corporate team-building reward events for any size companies, and teaching flower arranging to budding floral designers and floral enthusiasts. Flower Duet has been Casey and Kit's full-time passion for the last decade, and they've become the preferred vendor for many premium wedding and event venues throughout Los Angeles. In addition, they've been floral instructors at The Huntington Library, Art Museum, and Botanical Gardens for the past 16 years. Flower Duet has been featured in national publications and has appeared on television.

Cost = Free for first-time guests and members.

Location = Griffith Park Visitor's Center Auditorium, 4730 Crystal Springs Dr (next to Park Ranger Station), Los Angeles 90027
