

## Garden Event

5-17-25, 9-11am, Pollinator Party & Insect Safari!, Santa Monica 90404

Description = Even Busy Bees stop and smell the roses. Come explore the Ishihara Park Learning Garden and surrounding park in search of Pollinators and Beneficial Insects. Our newest version of Garden BINGO will be dedicated to those that pollinate and the plants that support them. Create your own Garden Journal to be used for sketching plants, planning and recording your garden activities, or simply recording your thoughts and ideas. We will have examples of what to look for, what to plant to create a pollinator friendly garden, and, of course, garden pancakes to fill your belly.

Cost = Free

Location = Ishihara Park Learning Garden, 2909 Exposition Blvd., Santa Monica 90404
