

Garden Event

6-12-22, 9am-12noon, In-Person, Santa Ynez Canyon Tour with Carol Bornstein

Description = From Pacific Palisades, the Santa Ynez Canyon Trail accesses the interior of Topanga State Park through a botanically diverse canyon. Our tour leader, Carol Bornstein, co-authored a prominent book, California Native Plants for the Garden and presented slideshows to our chapter's membership meetings in November 2020 and April 2022.

Cost = Free. Due to the narrowness of the canyon trail, this outing will be limited to 20 participants. To sign up in advance and receive more information, please send an email message to Bill Neill at bgneill@earthlink.net.
