

Garden Event

6-14-25, 10:30am-4pm, Carnivorous Plant Show & Sale, Corona del Mar 92625

Description = Southern California Carnivorous Plant Enthusiasts will be presenting a judged show of unique carnivorous plants from around the world. Members and vendors will be selling a wide range of plants and supplies providing quality materials to those interested in carnivorous plants – experienced and novice alike. Come along with your questions for our experts and take home some tips to care for your new plants.

11:30 am – Talk and Q&A: ‘An Introduction to Carnivorous Plants’ . Everything you need to know about carnivorous plants. Take a look at what makes carnivorous plants different from other plants as well as some of the common characteristics you might see within the different genera of carnivorous plants.

1:30 pm – Tour of the Sherman Carnivorous Bog. Join Horticulture Director Kyle Cheesborough for an in depth look into Sherman’s carnivorous bog. Learn about this unique habitat and some amazing adaptations that help carnivorous plants thrive.

Cost = Free with \$5 Garden Admission

Location = Sherman Library & Gardens, 2647 East Coast Highway, Corona del Mar 92625
