6-24-22, 7:30-9pm, In Person, Forests and Folklore Adult Night Hike, Arboretum, Arcadia

Description = This month's night hike will take us through the garden on one of the shortest nights of the year as we explore the myths, legends and magic surrounding the plants in the garden. Throughout this hike we will hear folklore from around the world and find the plants that those stories revolve around. How did these stories arise and what about these humble plants sparked the human imagination? How does the folklore around these plants still shape the way we see the world today? Please arrive 10 minutes before class to ensure you have time to check in! Due to the nature of the class, late arrivals will not be allowed to join and will not be offered a refund.

Cost = \$20 members, \$25 non-members
