

Garden Event

7-17-21, 10am-12noon, Zoom Online, Native Bees and The Crescent with Krystle Hickman

Description = Join Krystle Hickman in this informative Zoom lecture about native landscaping and native bees. Native garden the Crescent Farm at the Los Angeles County Arboretum is an excellent example of how to save native bees by supporting a healthy biodiverse ecosystem. To save the native bees, we must save the native plants. In this talk, with examples from the Crescent Farm, you will learn about native bees and what you can do at home to help sustain them.

Cost = \$15 Arboretum members, \$20 non-members

For more information and To Register = <https://mailchi.mp/arboretum/2021-july-bees?e=9e3902c74a>

A Zoom link will be emailed to registered participants 24 hours before class begins.
