

Garden Event

7-17-21, 9am-1pm, In-Person, Purple Sage Lane Mosaic Workshop-Hands On Workshop hosted by Poly/ana

Description = Join Artist Leigh Adams and Poly/Ana to learn how to transform broken discards in to beautiful designs while building community. This in-person workshop will cover techniques for working with glass, tile, and found materials. You'll participate in creating a mosaic mural through the "indirect method" of working on mesh. Your work will contribute to the development of a garden wall mosaic in a beautiful garden as you learn to cut, hammer, and break things! Refreshments, coffee and water will be served. Please bring comfortable clothing, sensible, protective shoes/boots, gloves, coffee cup and water bottle. Our goal is to create zero-waste to net positive events with your help. There will be shade and comfortable areas to work. All proceeds will go to our budding not-for-profit organization, Poly/Ana, where our mission is to educate communities as agents of change and to honor and protect natural, living systems.

Cost = \$40
