Depends on experience

Responsibilities

We are looking for a star team member to bring their A-game to our farm. Opportunity to lead mushroom growing for the Hungry Gardens. In this role you will maintain complete growing cycles, end-to-end, for all of our culinary varieties and ensure on time delivery for our restaurants throughout LA.

- Oversee grow from start to finish
- Ensure growing spaces are clean and operating at 100%
- Harvest and pack for delivery
- Ensure regular maintenance of all equipment and facilities
- Suggest infrastructure upgrades as needed
- Maintain quality and accuracy of produce orders
- Communicate daily updates and harvests

Required Knowledge, Skills and Abilities

- MUST HAVE Basic understanding & hands-on experience of the growing process of mushrooms
- Self-starter, knows what needs to be done and makes it happen
- Grounded in efficiency, it's your guiding principle in decision-making
- Excellent communicator, shares concise but necessary info and asks questions when needed
- Can handle fast paced environment with high stakes
- Hyperaware, catches variances and nuances in surrounding environment
- Ability to prioritize and adjust where necessary to meet objectives
- Highly organized, neat and prefers order
- Thirst for knowledge, constantly expanding skillset
- Ability to train others and transfer knowledge

Desired Knowledge, Skills and Abilities

- Understands clean room protocol
- Has grown and managed slants, spawn, and substrate colonization
- Loves mushrooms
