

Garden Event

7-23-22, 9am-1pm, In-Person, Reimagining Gardens - A Garden Tour in Altadena, Pasadena & La Canada

Description = Join Studio Petrichor and the non-profit Poly/Ana for a fun morning of garden tours, thought provoking discussions and community building. Our landscapes and lifestyles are unquestionably intertwined. Together, we design with nature's intelligence, co-create transformative spaces, and cultivate relationships in our environments. Beyond design is contribution, education and empowerment which is how we want to include YOU in this process.

Experience what a whole-system approach to design looks like:

- Get a chance to see water harvesting techniques first hand
- See how native plant gardens can look during the summer-dry period
- Ask your important, burning questions
- Get inspired to reimagine your space
- Network and spend time with great people

Cost = \$45
