

## Garden Event

7-24-21, 8-11:30am, In-Person, Nature Is the Teacher - An Observation Walk in Altadena

Description = Join Poly/Ana for a journey into a native wildland area, where we will listen, observe, sketch and connect with nature. Leigh Adams and Shawn Maestretti will lead this walk through a local, semi-wilderness area to learn about native plants, how they grow in community, and to discuss ways we can all be leaders in environmental justice. This is a wonderful opportunity for landscape professionals, students, garden enthusiasts and beyond to grow in your field or hobby. Space is limited so reserve your spot now! All proceeds will go to our budding not-for-profit organization, Poly/Ana, where our mission is to educate communities as agents of change and to honor and protect natural, living systems. Participants will be emailed exact location a few days in advance.

Cost = \$30
