

Garden Event

7-7-22, 5:30pm, Zoom, Dry Gardens and Drought with Johanna Silver, Daniel Nolan, and Katie Newman

Description = California Native Plant Society's Native Gardening/Naturehood Webinar hosts this discussion of which plants and practices work best to ensure you have a garden that can be in harmony with California's dry summer climate. Our speakers will dive into diverse examples of dry gardening techniques and offer practical tools that will leave you feeling inspired to begin creating a garden space that is in tune with California's dry season. Featured speakers are Johanna Silver, author of *The Bold Dry Garden*; Daniel Nolan, author of *Dry Gardens*; and Katie Newman of Tree of Life Nursery.

Cost = Free
