

Garden Event

8-10-24, 10am-4pm, Bromeliad Show & Sale, Rancho Palos Verdes 90275

Description = South Bay Bromeliad Associates Annual Show and Sale will highlight a wide variety of members' specimen bromeliads including Tillandsia, Neoregelia, Dyckia, Vriesea, Aechmea, Billbergia and Guzmanias, and an artistic arrangement section. Chances are excellent that you will see bromeliads you have not seen before. Bromeliads are easy to grow and offer a wide variety of colors and interesting forms. Club members will be available to answer questions. Plants for sale are from local Southern California commercial vendors and from members' own collections.

Cost = Admission and parking are free

Location = Palos Verdes Art Center, 5504 Crestridge Road, Rancho Palos Verdes, 90275
