

Garden Event

8-11-24, 1-4pm, Soil and Fertilizer for Succulents with Peter Walkowiak, Palos Verdes Peninsula 90274

Description = South Coast Cactus & Succulent Society Hosts Peter Walkowiak, who has been fascinated with plants since he was 5 and will be speaking about the best soil and fertilizer for growing succulents. There are three ingredients for his soil mix, and he'll explain what materials you can substitute and what materials to avoid.

Cost = Free garden admission for SCCSS members and their guests; non-members pay garden admission.

Location = South Coast Botanic Garden, 26300 Crenshaw Blvd., Palos Verdes Peninsula 90274

For more information = SCCSS Webmaster, sccss.comms@gmail.com, 310-346-6206, <https://southcoastcss.org/>
