8-17-24, 10am-12noon, Bee Workshop with Gary Chase, Westchester 90045

Description = Celebrate World Honey Bee Day and join Gary Chase, an experienced urban beekeeper, for a workshop on the practicalities of beekeeping in the city. Gary, with 7 years of experience in humane bee removal and treatment-free beekeeping, will share his expertise and answer your questions. Topics he'll cover include urban beekeeping tips, understanding bee behavior, creating bee-friendly spaces, and addressing safety and legal concerns. Engage in a lively Q&A, learn about the importance of our pollinator friends, the bees, and discover how to support them in your community.

Cost = Free

Location = Emerson Avenue Community Garden, 8050 Emerson Avenue, Westchester 90045
