Job Title

Xeriscaping Consultant and Brick Layer

Agency

Private Home

Location

Whittier, California

Pay Rate

Based on scope of work

Responsibilities

We xeriscaped our front yard fifteen years ago and it's time for a revisit. We also want to put in a brick path (approx. 30 by 3') with our own used bricks. Prefer to have someone who can update our xeriscaped front yard (two section: One of California natives and other of succulents) that measures approx. 50 by 30'. We have a drip system in place that may need some adjustments.

Required Knowledge, Skills and Abilities

Xeriscaping, brick laying, and drip system.
