

## Garden Event

8-6-22, 12:15-1:15pm, In Person, Annual Tomato Tasting, Emerson Avenue Community Garden, Los Angeles

Description = For this 5th Edition of the Annual Tomato Tasting, everyone is invited to come around to taste the best tomatoes grown by our ploholders. Come and meet new neighbors and enjoy a little tour of the garden. This event is the perfect time to plan for your tomato planting of 2023 as there is usually no variety duplicates! We're keeping the same categories as past years: the best overall tasting tomato, the biggest, the best color, the juiciest, the sweetest, the prettiest, the ugliest, and the "I wish I'd grown it". May the best tomatoes win!

Cost = Free. Emerson Avenue Community Garden is pleased to offer this delightful tasting to you at no cost. We are grateful for any donation amount you care to give our non-profit garden.

Location = Emerson Avenue Community Garden, 8050 Emerson Avenue, Los Angeles 90045
