

Garden Event

9-10-22 through 12-10-22, Saturdays, 10am-1pm, In-Person, University of California California Naturalist Training Program, Rancho Dominguez

Description = Dominguez Rancho Adobe Museum hosts this annual program, California Naturalist, CalNat for short. The CalNat program mission is to foster a diverse community of naturalists and promote stewardship of California's natural resources through education and service. The program requires 40 hours to be completed in order to receive the California Naturalist certification. Four UC academic credits are available upon completion as well. CalNat participants will gain knowledge in citizen science, environmental stewardship, conservation action and will provide clear and concise information about structure and function of California's ecological communities and challenges in resource management. This course will have the opportunity to enhance resumes and further professional education.

Cost = \$325
