

## Garden Event

9-11-21 through 12-11-21, Saturdays, 10-11am, University of California California Naturalist Certification Course

Description = Dominguez Rancho Adobe Museum is actively promoting its upcoming UC California Naturalist Certification Course taking place this Fall 2021. The mission of the California Naturalist Program is to foster a diverse community of naturalists and promote stewardship of California's natural resources through education and service. The skills acquired through this course can be applied to a variety of conservation efforts and open up new career paths to those who become a certified California Naturalist. As a local organization that engages in education and services that fosters stewardship for California's natural resources, we believe that members of your community will not only benefit from the skills acquire by taking this course, but can also strengthen the growing California Naturalist community. The course is taking place at the Dominguez Rancho Adobe Museum located at 18127 South Alameda Street, Rancho Dominguez, CA 90220. The mission of the Friends of Rancho San Pedro is to preserve and increase community awareness of early California history as it relates to the Dominguez family, homestead adobe and the Rancho San Pedro, the first Spanish land grant in California. This is accomplished through educational programs and the operation of the Dominguez Rancho Adobe Museum.

Cost = \$325.
