

## Garden Event

9-12-24, 7:10pm, Native Seed Collecting - How to Collect and Sow the Future with Antonio Sanchez, Los Angeles 90027

Description = Our previously scheduled speaker, Marie Astrid Gonzalez, had to cancel for health reasons. We plan to reschedule her on another date. Luckily, we have great friends in horticultural places and we are happy to announce that Antonio Sanchez will be giving a very timely talk on collecting and preserving California native plant seeds. Antonio works with the Native Plant Nursery at Rancho Sierra Vista, part of the Santa Monica Mountains Fund. Now is the time to collect and start planting for your native garden. Antonio will walk us through the steps and caveats of growing native plants from seed. We hope you can join us!

Cost = SCHS general meetings are free to SCHS members and current students with a school ID. There is a \$5 entry fee for non-members. We usually serve coffee and light refreshments. Ample free, on-site parking is available.

Location = Friendship Auditorium, 3201 Riverside Drive, Los Angeles 90027

Schedule = 7:10pm Announcements, 7:15pm Plant Forum, 7:30pm Program
