

Volunteer Opportunity

9-17-22, Every Tuesday, 8am-10pm, In Person, Arlington Garden, Pasadena, No deadline stated

Description = Arlington Garden is a climate appropriate habitat gardening that uses regenerative gardening techniques. Volunteers ages 14+ are invited to attend an orientation on regenerative gardening and help maintain the garden on Tuesdays. Tahereh Sheerazie and Capri Kasai lead volunteers in using these techniques, learning about rebuilding biodiversity in the soil by doing it yourself!
