

Garden Event

9-26-24 through 12-12-24, Thursdays, 6:30-9:30pm, Zoom, Planting Design for the Home Gardener, UCLA Extension Horticulture Program course

Description = This Zoom course covers the principles of design for the residential garden using a combination of plant materials and built elements. Instruction includes spatial, functional, climatic, and visual analysis of the site. It also explores the design process for laying out the garden; choosing site-appropriate plants; providing structural definition; and producing desired moods, vistas, and aesthetic effects. Optional in-person field trip on Sat. Oct 19

Taught by Theresa Nelson Chada, CA Landscape Architect.

Cost = \$670

Location = Zoom
