

Garden Event

9-30-23, 9am-4pm (9am-12noon or 12noon-4pm), Greystone Demonstration Garden Volunteer Opportunity, Beverly Hills 90210

Description = Help us clear the south side slope adjacent to the Demonstration Garden and then cover it with newspaper, cardboard and mulch to prevent weeds from growing in the future.

[Plan Ahead for Phase 2 of this project, expected to be in late October and early Spring, when we will plant California Native plants with the intention of attracting various pollinators such as butterflies and bees. We can't do both phases of the project at the same time since certain plants have to be planted at certain times of year.]

Cost = Free. Please RSVP so we know how many tools to provide.

Location = Greystone Demonstration Garden, 501 Doheny Rd, Beverly Hills 90210
