

Garden Event

Mondays, 6-21-21 through 8-30-21, 6:30-9:30pm, Online Zoom, Planting Design for the Home Gardener with Melissa McDonald

Description = This 11-week course covers the principles of design for the residential garden using a combination of plant materials and built elements. Instruction includes spatial, functional, climatic, and visual analysis of the site. It also explores the design process for laying out the garden, choosing site-appropriate plants, providing structural definition, and producing desired moods, vistas, and aesthetic effects.

Cost = \$625

To register = <https://www.uclaextension.edu/landscape-architecture-horticulture/horticulture-gardening/course/planting-design-home-gardener>
